The hall committee would like to offer our **sincere gratitude to Chrissy**, who has done a **sterling job** of reorganising and greatly improving our three **flowerbeds** and creating a flower border to the car park. We have received many compliments on the improvements she has made, all on a shoestring budget. Well done Chrissy!

Do you live in or around Fincham? Do you have a **musical instrument** that you can play, at any level from basic skills (and maybe a bit rusty!) through to virtuoso?

Would you be interested in **getting together** locally with a few others with a view to **playing music** together, primarily for our own enjoyment?

If you're interested, let Dave Martin know by email to **ensemble@davemar.co.uk** or drop a note in the postbox with your contact details. If there is sufficient interest, Dave will contact you and arrange an initial get-together.

**Thank you to everyone who attended the village-wide open meeting on Friday 30th January** as we presented the consultation journey that we embarked on to develop plans to future-proof Fincham Memorial Hall.

The event was very **well attended**, and various **architect designs** were shared, along with the full **costings**, and **landscaping** for the **biodiversity** net gain legislation.

There was a **lively and useful discussion** afterwards, and the comments that were made were noted down. We will be reading through the final feedback provided on the night.

It was **lovely to see so many local residents interested in the future of the Memorial Hall**.

For anyone unable to attend, you can **download the presentation** and additional consultants' reports from our **website**.
